9 Bullying and inappropriate behaviour

We are committed to providing a caring, friendly and safe environment for all our children so that they can train and play in a relaxed and secure atmosphere. Bullying has no part in our Club. If bullying or inappropriate behaviour does occur all children should be able to tell an Officer and know that incidents will be dealt with promptly and effectively. Anyone who knows that bullying or inappropriate behaviour is happening is expected to confide in an Official.

10 Changing Rooms and Showering

Ideally adults and children playing in Open Age matches should not change and shower together. However at Cowbridge due to the building's constraints this is not possible. By signing your Membership and Registration form it is regarded as providing your consent that these arrangements to apply.

If children are uncomfortable with the above we suggest that they change and shower at home.

11 Photography

However by signing the M&R form parents and guardians are deemed to have given approval for Club Officials (who have been CRB checked) to take photographs and videos for Club purposes.

In order to attend away matches it is often necessary that children be transported by Club Officials or assisting parents or guardians. By signing the M&R form parents and guardians are confirming their approval of these arrangements.

13 Managing children away from the Club

For away matches the Team Manager will provide parents and guardians with details of the time, date and venue. He/she will carry emergency contact details for each child and special medical details.

Should a child become missing when in the care of the Cowbridge Cricket Club measures will be taken to safeguard the other children present while a search is made for the missing child. Parents will be informed once the first search has not located the child. A further search will be instigated using all available adults and should the child not be found within ten minutes the Police will be alerted.
